

# SPIRAL Scavenger Hunt

## FACT FLUENCY

Check off each activity as you complete it!

Work to complete 4 of the 7 activities.

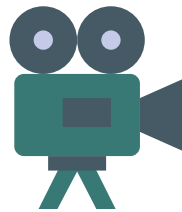

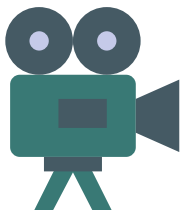

Follow the QR code or go to [mathspiral.com](http://mathspiral.com) to view the Fluency resources on the SPIRAL website.

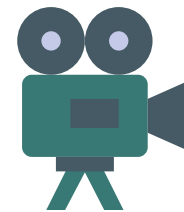

Review Resources tabs

Watch & Reflect:  
Select a video on fact fluency with which you are unfamiliar.

Watch & Reflect:  
Select a video on time fluency with which you are unfamiliar.

Watch & Reflect:  
Select a video on money fluency with which you are unfamiliar.

Plan a week of fluency practice for your students by completing the Fluency Activity Planning Document.

Identify which fluency activities are most impactful in your classroom. Explain how and when you would implement each one to support student learning.
